## SEMI-CUSTOM COLLECTION PRICING GUIDE

We don't like surprises - especially when it comes to our spending! The following pricing guide gives you everything you need to know about the pieces offered in the collection as so you can calculate your total investment with us. Please don't hesitate to let us know if you have questions or need more information.

### 4-Piece Suite

All of the pieces you'll need for a formal invitation.

- Invitation: 5x7 or 6x6
- Response Card
- Outer A7 or 6.5 Square Envelope (blank)
- 4Bar Response Envelope (blank)

### Web Card

Small 2.5x3 or 3x3 card ideal for sharing your website with guests. Etiquette dictates that a website should not be included on formal invitations, and we agree with Emily Post on this one!

### Save the Date

Give your guests a heads up that you've got a super fun event coming up and they should make a note of the date on their calendars!

- Save the Date Card: 4.25x5.5
- A2 Envelope (blank)

### Calligraphy

Outer envelope calligraphy is based on our calligrapher's availability - we book on a first come, first serve basis. Please make a note on your Collection Customization Worksheet if you are interested in this service.

### 2- Piece Suite

Just the basics here!

- Invitation: 5x7 or 6x6
- Outer A7 or 6.5 Square Envelope (blank)

The 2-piece suite can be paired with our details card to let your guests know when and how to RSVP to your event online or via email.

### Details Card

Medium 4x6 or 5x5 card ideal for a second event invitation (i.e., welcome party or rehearsal dinner) or additional event details (i.e., accommodation information or transportation schedule).

### Envelope Printing

We offer envelope printing for the return address (back flap of envelope) and response address (front of 4Bar envelope) only. We recommend matching the print method of your invitation with the print method for your envelope printing; however, because foil printing is the most expensive option, mixing a foil invitation with a letterpress envelope is a beautiful option.

***\*\*Day Of Paper (i.e., menus, table numbers, etc.) + Stationery (i.e. thank you cards) are available for each design upon request\*\****
